

## The first Term Examination

Class: 3AM.....

Gouffa Benadda Middle School , El matmar Duration : 1h30

**Text:**

How can anyone like flying? It is a crazy thing to do .Birds fly, people don't . I hate flying. You wait for hours for the plane to take off, and it is often late. The plane is always crowded. You can't walk around. You can't open the windows. That's why I am keen on traveling by train. Trains are much better than planes. They are cheaper, safer and more comfortable. You can walk around in a train and open the windows. Trains are slower, but speed is not everything. Staying alive and enjoying your self is more important.
