Terrific Traffic Accident

Last Sunday I saw an accident. It is still fresh in my mind. It happened on Didouch Mourad avenue, Algiers. A child was crossing the road when a car came from the opposite direction. The driver tried to save the child but a bus was coming from the opposite direction and ran into the car. The bus driver had only minor injuries. The car driver was seriously injured, he died later. People gathered there to help the passengers of the bus who got light injuries. Some of them were bleeding when the Police and the ambulance arrived some minutes later. They noted down the positions of the vehicles. After that, the injured persons were sent to the hospital then the police began asking the witnesses. Finally, the bus driver was arrested. It was a very bad accident. I will not forget it for a long time.
